About Me

Hello!

I am a full-stack web and mobile developer with more than 8 years of experience owning both front-end and back-end technologies.

My area of expertise lies in the Hybrid App, PHP, Node.js, Angular, React, Firebase, RESTful CRUD API, SQL, and Database.

I have been building a lot of websites on various topics such as e-commerce, shopping, social networking, travel, events & news, sports, fashion, appointment & booking, and business by using WordPress, Shopify platform.

I also developed a number of Hybrid mobile apps using Ionic and React Native.
